COMPANY INTRODUCTION

Qatar Engineering Enterprises Company (QEEC) was established in 1994 in State of Qatar as 100% locally owned medium size organization registered as a Limited Liability Company (LLC) under the law of State of Qatar. QEEC deals with Government Departments and consultants with regard to the construction of pipe line projects for potable water mains, drainage, sewerage and treated sewage effluent (TSE). QEEC is likewise involved in earthworks, infrastructure, construction and maintenance of buildings, and hard landscaping works.

The organization is comprised mainly of two divisions:

- Water and Drainage Division
- Construction and Maintenance Division

QEEC water and drainage division offers the experience of working on Water and Drainage works in the State of Qatar for the last twelve years and successfully completed various projects in this time span,

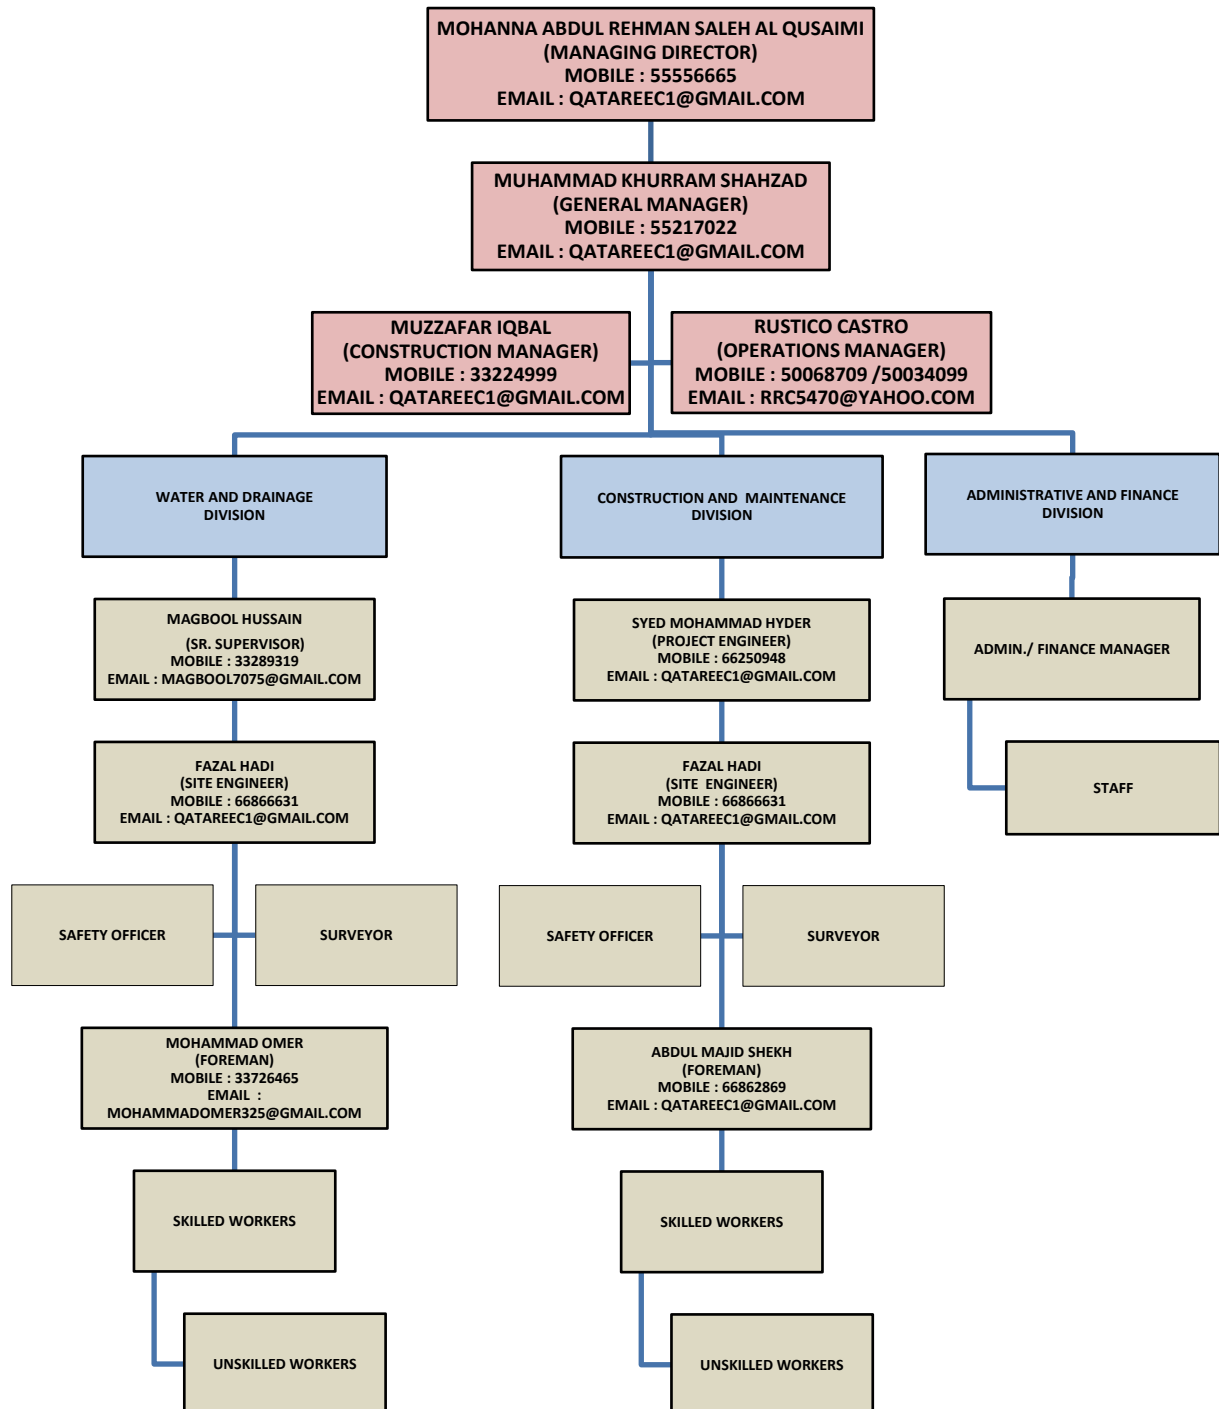

As an Associated Pipe Line Contractor, it became actively involved in all phases of the pipeline construction industry on a nationwide basis. QEEC Water and Drainage division was involved in the construction of pipe lines and completed over 500 kilometers of pipeline installation. QEEC has successfully completed pipelines from 100 mm to 1600 mm diameter.

Each of our divisions has the expertise to conduct successful operations in every climatic condition of the region and contributes to achieve QEEC's eminence reputation in the pipeline construction industry.

Our personnel are responsible, experienced individuals who work closely with the client to provide cost effective, high quality construction projects.

QEEC is equipped to work with the client in obtaining necessary permits and complying with their terms during construction. Cooperation is a key to successfully working with ever changing regulatory agencies and rulings.

COMPANY ORGANIZATION CHART

GENERAL CONSTRUCTION EQUIPMENT

S/N	Description	Units
1	6 Wheeler Trucks	2
2	Water Tanker	2
3	Air Compressor	4
4	Plate Compactor	5
5	Small Roller ½ T	3
6	Petrol Powered Pipe Cutter	4
7	Electric Generators	2
8	Diesel Generators 75 KVA	1
9	Diesel Generators 100 KVA	1
10	Pick-up 3 Ton	2
11	Water Pump	10
12	Concrete Vibrator	8
13	Pressure Test Pump 20 Bar	10
14	Pipe Cutting Machine	1
15	Wrapping Machine up to 1600 mm dia.	2
16	Torque wrench	1
17	Pressure Test Pump 40 bar	1

HEAVY EQUIPMENT

S/N	Description	Brand	Model	Year of Manufacture	Units
1	Excavator	Caterpillar	CAT 225	2001	5
2	Excavator	Kobelco	200	2000	1
3	Shovel	Caterpillar	D966	2002	1
4	Shovel	Komatsu	PC3000	2000	1
5	Shovel	Kawasaki	950	2000	1
6	Shovel	Caterpillar	910	2001	1
7	Crane	Lorain	20 Ton	2004	2
8	Boom Truck	Manitowoc	10 Ton	2002	1
9	Backhoe Loader	JCB	3CX	2004	2

MANPOWER LIST (SITE WORKS)

S/N		No.
1	Project Engineer	2
2	Site Engineer	3
3	Safety Officer	1
4	Surveyor	1
5	Foreman	4
6	Pipe Fitters	24
7	Heavy Equipment Operators	4
8	Electrician	2
9	Mechanic	2
10	Plumber	2
11	Carpenters	4
12	Steel Fixers	4
13	Mason / Tile fixers	5
14	Painters	2
15	Driver	3
16	Laborers	34

LIST OF COMPLETED PROJECTS

COMPLETED PROJECTS (MAJOR PIPELINE PROJECTS EXECUTED BY QEEC)

NAME OF PROJECT:	ERC 0622/C6RIW
Location	Muither South
Client	Ashghal
Contractor	Sub-contractor to Cleopatra Trading and Contracting
Inspection Agency	Kahramaa
Date Contract Awarded	01/05/2006
Date Work started	01/08/2006
Scheduled Completion Date	30/02/2007
Actual Completion Date	30/02/2007
Contract Duration	200days
Pipe Length	700m
Pipe Material	DI Pipe
Pipe Size	100 mm to 600 mm dia.
Fluid Handling	Water Supply
Scopes of work	Construction of 100 mm to 600 mm dia. water pipe line

COMPLETED PROJECTS

COMPLETED PROJECTS

NAME OF PROJECT:	MAINTENANCE WORKS FOR 10 NOS. SCHOOLS IN DOHA AND VILLAGES
Location	Doha and villages
Client	Supreme Education Council
Contractor	Sub-contractor to SATCO International Trading and Contracting
Date Contract Awarded	15/06/2010
Date Work started	01/07/2010
Scheduled Completion Date	31/12/2010
Actual Completion Date	04/02/2011
Contract Duration	6Months
No. of Schools	10schools
Scopes of Work	Civil and electro-mechanical maintenance works

COMPLETED PROJECTS

NAME OF PROJECT:	DOHA EXPRESSWAY PACKAGE 12
Location	F-Ring road
Client	Ashghal
Contractor	Consolidated Contractors Co.
Date Contract Awarded	2010
Date Work started	2010
Scheduled Completion Date	2013
Actual Completion Date	2013
Contract Duration	3 years
Scopes of Work	DI pipe works 600 mm to 1200 mm dia. pipes

COMPLETED PROJECTS

NAME OF PROJECT:	BARWA VILLAGE WEST AMENITIES
Location	Abu Hamour
Client	BARWA
Contractor	Sub-contractor to Shapoorji Pallonji Qatar, WLL
Date Contract Awarded	01/04/2012
Date Work started	15/04/2012
Scheduled Completion Date	15/07/2012
Actual Completion Date	30/07/2012
Contract Duration	3 Months
Foul Water Manholes	108 Nos.
Rain Water Manholes	76 Nos.

COMPLETED PROJECTS

NAME OF PROJECT: POTABLE WATER NETWORK INSTALLATION FOR DOHA EXPRESSWAY PACKAGE-7 SALWA ROADPHASE 2

Location	Salwa Road
Client	Ashghal
Main Contractor	Yuksel Midmac JV
Date Contract Awarded	01/06/2011
Date Work started	15/06/2011
Scheduled Completion Date	01/12/2013
Actual Completion Date	01/12/2013
Contract Duration	18Months
Pipelaying work	100 mm to 900 mm dia
Total length	4,500 m

Note:

This is joint venture project of M/s. Qatar Engineering Enterprises Co. and M/s. Doha International Co.

COMPLETED PROJECTS

NAME OF PROJECT:	GTC 411/2011 EXTENSION OF DISTRIBUTION NETWORK AT RAWDAT AL HAMMAM
Location	Al Kheisa
Client	Kahramaa
Contractor	Sub-contractor to Gulf House of Trade & Cont. Co. W.L.L.
Date Contract Awarded	12/07/2012
Date Work started	28/07/2012
Scheduled Completion Date	Completed
Actual Completion Date	21/02/2013
Pipe Length	20 km
Pipe Material	D.I. Pipe
Pipe Size	100mm, 150mm, 200mm, 300mm, 400mm, 600mm, and 900mmdia.
Fluid Handling	Water Supply

COMPLETED PROJECTS

NAME OF PROJECT:	LUSAIL DEVELOPMENT – CONTRACT CP-3A (PHASE II)
Location	Lusail
Client	QDVC
Main Contractor	Samsung C&T Corporation
Date Contract Awarded	24/11/2013

NAME OF PROJECT:	C-299 –ROADS AND INFRASTRUCTURE IN DOHA INDUSTRIAL AREA-PACKAGE -3
Location	Industrial Area
Client	Ashghal
Main Contractor	QBC
Date Contract Awarded	09.08.2020
Date Work started	11.08.2020
Scheduled Completion Date	April 2021
Pipe Length	3 KM
Pipe Material	DI
Pipe Size	100 mm to 300 mm dia
Type	Potable Water
Scope	Pipe laying Pipe wrapping Shutdown

ON-GOING PROJECTS

NAME OF PROJECT:	QETAIFAN ISLAN NORTH PROJECT – PACKAGE 4
Location	Lusail
Client	Qetaifan Projects
Main Contractor	CCC-TCC Jv.
Date Contract Awarded	30.12.2020
Date Work started	05.01.2021
Scheduled Completion Date	6 MONTH
Pipe Length	11 KM
Pipe Material	DI
Pipe Size	100 mm to 400 mm dia
Type	Potable Water
Scope	Pipe laying

ON-GOING PROJECTS

NAME OF PROJECT:	QETAIFAN ISLAN NORTH PROJECT – PACKAGE 4
Location	Lusail

PROJECT:IA 2018 C 022 G – ROAD IMPROVEMENT WORKS IN SOUTH OF GREATER DOHA ZONE 90-95 – PHASE 6A

SUBJECT: IA 2018 C 022 G - SUBMITTAL OF PREQUALIFICATION FOR SUB-CONTRACTORS FOR D.I PIPES INSTALLATION - 0012296

With reference to the above subject and further to your letter ref. 2019/0012296/5 dated 23/05/2019 along with pre-qualification submittal for M/s. Qatar Engineering Enterprises Co. as Subcontractor for Water Works (D.I Pipes Installation and associated works).

Please be informed that your proposed subcontractor (M/s. QEEC) can be approved to carry out potable water works only for the above captioned project only.

It shall be noted that their works shall be under your (as Project Client) and main Contractor's supervision and responsibility. Further, it shall be noted that KM approval does not relieve you and Main contractor from any of contractual obligation towards Kahramaa.

For your information and further action.

Regards,

SUBJECT: PROPOSED POTABLE WATER WORKS SUBCONTRACTOR

With reference to your letter ref. no. 2018/0013942/5 dated 10/07.2018 regarding the subject as mentioned above and to attached submitted pre-qualification documents for prequalification of proposed Subcontractor M/s. **Qatar Engineering Enterprises Co. (QEEC)**, we have reviewed the same documents and have no objection from proposing same subcontractor to carry out the below listed scope of work for the above-stated project only.

1. Wrapping of DI Pipes 100mm-600mm DN
2. Installation of DI Pipes and Associated Fittings
3. Relocation of Existing 100, 150 & 300mm Dia DI pipes
4. Shut Down the Live Potable Water Connection and Reconnect with the relocated main line

Further, the works shall be properly monitored by the main contractor and the consultant to ensure adherence to KM Specifications for water works. If your subcontractor M/s. QEEC is found to be unsatisfactory, KM have the right to cancel aforementioned approval.

Kindly note also that the approving of above subcontractor does not relieve you from your contractual obligation toward fulfillment of Kahramaa requirements and avoiding any future problems that may arise.

This is for your information and necessary action.

PROJECT: RTC/081/2013 RED LINE NORTH ELEVATED & AT GRADE**SUBJECT: Subcontractor Approval for Diversion of Potable Water Line at Cut and Cover (M/s. Qatar Engineering Enterprise Co.)**

With reference to your letter ref. no. M002-RLR-KAH-LTR-00014 dated 25.07.2018 pertaining to the above subject along with proposed Subcontractor company profile of M/s. Qatar Engineering Enterprise Co. (QEEC) for the Diversion of Potable Water Line at Cut and Cover at Al Khor Coastal Road of the above project. Please note that we have reviewed the company profile, resources and relevant experience and we have no objection in principle to designate M/s. QEEC to carry out the aforementioned Diversion Works conditionally to consider below comment:

- Provide valid CR for M/s. QEEC.

Moreover, please note that this approval is based only on the document submittal and does not mean to relieve the main Contractor of any of his obligations and responsibilities. Also, the works shall be properly monitored by main Contractor/Consultant to ensure adherence to Kahramaa Specifications for water works.

This is for your information and necessary action.

Subject : SUB CONTRACTOR FOR WATER WORKS

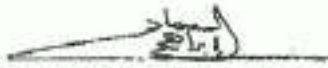

With reference to your letter Ref. No. 63488-B-CP-0310-MAH dated 01-05-2007 regarding the approval of sub contractor and confirming the plants and labor and capability of M/s QEEC to carry out the water works included in the above subject project.

We therefore have no objection for M/s Qatar Engineering Enterprises Co. Doha as sub contractor for the said works. Please instruct the contractor to submit the following prior to commencement of the main laying works.

1. Method Statement (for laying, testing, swabbing, sterilizing and commissioning) of water mains
2. Health Certificates for all who will be engaged on water main laying works.

For any further queries, Please contact our project coordinator Mr. Aalam Mireh on telephone Nos. 4845985 & 6580702.

Yours Sincerely,

 ENG. IBRAHIM MOHAMMED A. AL SADA

WHEREAS

- 1) The parties **Doha International Co. (DIC) & Qatar Engineering Enterprises Company (QEEC)** agreed to form Joint venture for carryout the job **LUSAIL DEVELOPMENT- CONTRACT CP-3A (PHASE II)** for the Client **M/s. Samsung C&T Corporation**.
- 2) **Doha International Co. (DIC)** will manage the job and will be the authorized to deal with Client **M/s. Samsung C&T Corporation**. **QEEC** shall report to **DIC** for any day-to-day issues.
- 3) **QEEC** shall support the job with workers & equipments.
- 4) Internal allocation of responsibility and liability in concerned all rights, interests, obligations, risks, profits or losses in connection with above contract will be born by the parties in the following percentage shares:

• Doha International Co. (DIC)	-	50%
• Qatar Engineering Enterprises Company (QEEC)	-	50%
- 5) As part of contract requirement, following documents shall be deemed to form and be read and construed as part of this **Joint Venture**:
 - Part I. General Conditions, and
 - Part II. Particular Conditions;
 - Appendix to Conditions;
 - Scope of Works;
 - Programme of Works;
 - Schedule of Prices and Rates;
 - Specification and Drawings;
 - Defect / Liability period

Page 1 of 3

NOW IT IS AGREED as follows:-

6. PRICE

Total contract price to carry out the above job is **Qr. 647,515.00/-**

7. AUTHORITY

Except as expressly agreed otherwise, all decisions in connection with the Joint Venture shall be taken unanimously by the Parties and no Party shall have the authority to bind the other Party.

8. TERMINATION

This Agreement shall be terminated upon whichever of the following events occurs first:

- (a) After successful completion of the project
- (b) on the mutual written agreement of the Parties to terminate the Agreement; or
- (c) on the date of the officially announced decision of the Employer not to proceed with the Contract, or

9. CONFIDENTIALITY

9.1 The Parties shall keep this Agreement confidential and, except as is essential for the purposes of the Tender or negotiations with the Employer or required by law, all information including but not limited to all design details and calculations, commercial and technical data of whatever nature provided by one Party to the other shall be kept confidential unless otherwise agreed by the Party providing the same, and shall not make use of such information for any other purpose.

9.2 The undertaking by the Parties under this clause shall survive any termination of this Agreement.

10. ASSIGNMENT

No Party shall assign any of its rights, obligations, benefits or liabilities arising out of or in connection with this Agreement without first obtaining the written consent of the other Party.

11. DISPUTES

11.1 Any dispute or difference arising out of or in connection with this Agreement shall be first referred to the respective Chief Executives of the Parties for amicable resolution by mutual

consultation within 28 days of the dispute or difference being notified by either Party to the other.

11.2 In the event that the Parties fail to resolve the dispute or difference amicably within 28 days of the dispute or difference being notified then the dispute shall be finally settled by one arbitrator in accordance with the Rules of Arbitration of the Qatar Chamber of Commerce. The appointing authority shall be the Qatari Chamber of Commerce. The arbitration shall be conducted in the English language. The decision of the arbitrator shall be final and binding on the Parties.

11.3 This agreement shall be construed in accordance with the Qatari Law.

11.4 Neither of the Parties shall be released from performing its obligations under this Agreement by reason of any arbitration proceedings being instigated.

IN WITNESS whereof the Parties have executed this Agreement on the date first above written.

M/S CITY TRADING & CONTRACTING

SITE ENGINEER

1997 to January 2005

RESPONSIBILITIES:

- Site Survey & Demarcation
- General site Supervision
- Preparation of Daily Execution Plan
- Organizing In-situ and Lab test as per Specification
- Preparation Manpower, Plan & Materials Forecast
- RFA follow up
- Setting up daily targets for team
- Preparation of weekly Report & One Week Look Ahead Schedule.
- Material Reconciliation
- Conducting Site Safety Induction
- Preparation of Safety Reports and Related Documentation
- General Reporting to Project Management Team
- Input for the preparation of Shop Drawing.
- Verification of As Built Drawings

PROJECT HIGHLIGHTS:

- Construction of Water Supply & Fire Fighting Network with 9 bar Pressure
Comprises of DI Pipe with 100mm upto 900mm work.

PROJECTSUMMARY:**PROJECTS****CLIENTS**

GTC 135/MIC/02 Road Refurbishment Works in Mesaieed	QGPC
GTC 06/Distribution Main Industrial Area	Kahramaa
L.T.C 10 Industrial Distribution Main	Kahramaa
Replacement of Secondary Distribution Main WND 7033	Kahramaa
Replacement of Secondary Distribution Main WND 7028	Kahramaa
Upgrading Distribution Main WND 7025	Kahramaa

M/S LOYA ASSOCIATES CONSULTING ENGINEER**PILING & STRUCTURE ENGINEERS**

July 1995 to May 1997

RESPONSIBILITIES:

- Site Survey & Demarcation
- General Site Supervision
- Preparation of Daily Execution Plan
- Setting up Daily Targets for Team
- Preparation of Weekly Report
- Material Reconciliation
- Conducting Site Safety Induction
- Preparation of Safety Reports and Related Documentation
- General Reporting to Project Management Team

PROJECTSUMMARY:

- Extension of Bridge over LYARI RIVER at Rashid Minhas Road.

JOB DESCRIPTION:

- Over 15 Years Working Experience as Project Engineer & site Engineer in Supervision of Laying and Maintenance of Water Mains and Construction of Bridges
- For the above Works I have been involved in organization of work, Supervision, Quality and Quantity Controlling. Material Schedule Preparation, Cost Estimation and Valuations

PERSONALDETAILS:

Father's Name	Qamar UI Islam
Date of Birth	9 th February 1972

RUSTICO R. CASTRO

Mobile No. +974 50068709

Email address: rrc5470@yahoo.com**PROFESSION:** Professional Civil Engineer (Philippine Registration No. 33873)**EDUCATION:** Bachelor of Science in Civil Engineering
Technological Institute of the Philippines (Graduated 1983)**SYNOPSIS OF EXPERIENCE**

Diversified construction and maintenance works experience for government and private civil and infrastructure projects such as multi-storey and high rise commercial buildings, industrial, institutional, and residential complexes, schools, villas, roads, water, drainage, sewerage, electrical and related works, hard and soft landscaping works.

KEY EXPERIENCES1. **Operations Manager**

Qatar Engineering Enterprises Co.
(2014 – 2017, under arrangement with Satco International)
(2017– present, transferred sponsorship to QEEC)

- Construction operations, management and supervision
- Responsible for the technical execution from project inception to completion and commissioning of the project
- Responsible for efficiently utilising the Engineering Discipline team assigned to the project
- Responsible for directing all engineering phases of the project
- Establishes and maintains working arrangements with client and consultant on engineering matters
- Establishes, in consultation with discipline engineers, a schedule for engineering work in accordance with the overall project schedule
- Endeavour to complete the project within the man-hour budget and the time schedule
- Regularly compares costs with the project budget to determine areas requiring cost evaluation and further actions to achieve economies
- Assigns work to the members of the project team, disseminates information and continuously monitors progress
- Continuously reviews the work as it is performed for quality, accuracy and completeness
- Develops, supervises and approves documents under areas of responsibilities
- Instructs subordinate personnel to enable them to perform their work efficiently

- Delegates the team of engineers and staff of the technical and administrative duties as the situations and company procedures permit

2. **Senior Civil Engineer/Sr. Quantity Surveyor/QAQC Engineer**

SATCO International Trading and Contracting

Construction Division /Maintenance Division / Waterproofing Division

(1992–2017)

- Responsible for steering the engineering work of the project to a successful conclusion in accordance with high standards of excellence
- Responsible for the engineering time schedule and man-hour budget and the other costs as they are affected by design engineering
- Ensure that the Project is carried out in accordance with the Project QAQC/HSE programme
- Develops the project design basis by direct communication with the appropriate sources of information
- Participates in establishing the engineering man-hour requirements and project staff
- Assists and participates in the preparation of the job Instructions and job close out reports
- Assists as requested, in the preparation of control documents and administrative reports
- Develops and implements cost monitoring, analysis and control system
- Responsible for material submittal, sourcing and procurement
- Responsible through the lead engineer(s), the management of subcontractors interfaces associated with the projects works
- Evaluates project technical performance and initiates appropriate preventative action(s) to reduce or eliminate potential schedule delays and/or cost overruns
- Continuously reviews the job as the work is being performed on any changes in scope, schedule or budget as they occur and initiates Change Orders as necessary and when requested
- Responsible for internal project team technical quality control activities
- Coordinates with client, consultant, government authorities, suppliers and sub-contractors
- Conducts comprehensive review of tender documents, Bill of Quantities and cost estimation for tender submission

3. **Senior Civil Engineer (1985 – 1991)**

Civil Engineer (1982 – 1984)

PFDA, Ministry of Agriculture, Manila

- Worked as project coordinator for 10 years serving as Philippine government representative-counterpart with Pacific Consultants International (Japan) and System Science Consultants Inc. (Japan) in the preparation of feasibility studies and detailed engineering

design for foreign-assisted (OECF-Japan) infrastructure projects in the Philippines

- Coordinates with local/foreign consultants, national and local government, public agencies and private sector for post and pre-implementation of projects
- Coordinates with client, consultant, government authorities, suppliers and sub-contractors for proper execution of the works.
- Responsible for final review and approval of progress reports, valuations, variation claims, etc..
- Attends regular progress and coordination meetings
- Responsible for project identification, planning and development
- Conducts technical feasibility studies and engineering design
- Preparation of management information reports

TRAININGS / SEMINARS ATTENDED

1. **Computer-Aided Structural Analysis and Design**
Quality Computer System, Incorporated
Manila, Philippines
November – December 1991
2. **Training Course on Ports and Harbor Structure and Facilities**
Pacific Consultants International (PCI-Japan) and
Overseas Economic Cooperation Fund (OECF-Japan)
Tokyo, Japan
October - November 1989
3. **Course on Research Methods**
PFDA, Ministry of Agriculture
Quezon City, Philippines
December 1987
4. **Ports and Harbor Engineering and Maintenance**
PFDA, Ministry of Agriculture
Quezon City, Philippines
August 1986
5. **Industrial Safety and Maintenance Course**
National Engineering Center / University of the Philippines
Quezon City, Philippines
November 1985
6. **Refrigeration and Cold Storage Systems**
National Engineering Center / University of the Philippines
Quezon City, Philippines
October 1985
7. **Ground Water Development**
Embassy of Switzerland - Manila
November 1982

8. **HILTI Fastening Systems**
Embassy of Switzerland - Manila
November 1982
9. **Shotcrete Technology and its Implementation in Civil Engineering with Particular Emphasis on Subterranean Structures – Tunnels, Caverns, Mining Industry**
Embassy of Switzerland - Manila
November 1982

COMPUTER LITERACY

1. Microsoft Office (Word, Excel)
2. Microsoft Project / Primavera
3. Auto-cad (basic knowledge)

AWARDS AND DISTINCTIONS

1. **Certificate of Merit in the Field of Community Relations**
Embassy of the Philippines
Doha, State of Qatar, 1998
2. **Professional Excellence Award as Civil Engineer**
Media Writers Association of the Philippines
Manila, Philippines, 1989
3. **National State Scholar**
University of the Philippines
Baguio City, Philippines, 1975
4. **National Scholar**
Filipinas/Ayala Foundation, Inc.
Camarines Sur National College of Arts and Trades
Naga City, Philippines, 1971-1975
5. **Salutatorian**
Camarines Sur National College of Arts and Trades
Naga City, Philippines, 1975

Doha - Qatar

OBJECTIVE

To seek a challenging position in a progressive and reputable organization where I can have sense of quality competition and achievement in the organization and to serve it with all my expertise and skills

PROFESSIONAL QUALIFICATIONS

- ❖ **D.A.W |1983| SINDH TECHNICAL BOARD OF EDUCATION - CIVIL ENGINEERING**
- ❖ **SSC|1976| KARACHI BOARD - SEIENCE**

SKILLS & ABILITIES**MANAGEMENT**

- Management of site supervision, building constructions and projects based on QSC 2014 specification.

COMMUNICATION

- Management of site supervision, building constructions and projects based on QSC 2014 specification.

LEADERSHIP

- Management of site supervision, building constructions and projects based on QSC 2014 specification.

WORKING EXPERIENCES**QATAR ENGINEERING ENTERPRISES CO - QATAR (From 2016 - Until)****Site Engineer****Project Summary:**

Project : Design & Building Package 4 – Green Lind Underground.

Company : M/s. DOREX Engineering

Period : 2016

Project : Wakra Logistic City – Potable Water

Company : M/s. Galfar Al Misanad

Period : 2017

Project : RIW South Greater of Doha, Zone 95, Phase-5

Company : M/s. CONTRACO

Period : 2018

Project : CP02E –Civil works, Fox Hills North & South at Lusail

Company : M/s. QATAR GAS

Period : 2019

Project : Development of Access Road – Al Khor

Company : M/s. MARBU

Period : 2020

Project : Road Infrastructure in Doha, Industrial area - Package 3 (C-299)

Company : M/s. QBC

Period : 2020

KORA Trading & Contracting (2012 - 2015)**Site Supervisor****Duties & Responsibilities:**

- Work for site supervision of land scaping and road work at Mitsubishi project.
- Responsible for the construction of water drainage chamber at Industrial area.

SATCO International Trading & Contracting (2007 - 2010)**Site Supervisor****Duties & Responsibilities:**

- Responsible for the construction of water drainage chamber at Umm Salal Mohammad
- Supervisor for all activities of structure work dealing with consultant and arranging concrete works.
- Supervisor of the project based on QSC 2007 specification.

Al Mohanna Trading & Contracting (2001 - 2004)**Site Supervisor****Duties & Responsibilities:**

- Responsible for site supervisor for road project (ERC 0613/RIW GHARAFFA) for all excavation work, construction services line, preparation of based sub-base area for carpeting and fixing of kerb stone and interlock
